Special Filming Conditions for Los Angeles County Beaches
DOCKWEILER BEACH

The Special Filming Conditions described below will be included in the terms and conditions of permits issued for filming in this area and are in addition to the standard terms and conditions applicable to filming permits generally. While these Special Filming Conditions will be included as terms if a permit for filming in this area is issued, they are not intended to, and do not, establish the criteria or standards for determining whether or not a particular permit (or permits) will be issued for this area. The decision whether or not a particular permit (or permits) will be issued is vested in the discretion of the appropriate City or County department or their designees (including FilmL.A., Inc.), to be exercised consistent with public health, safety and general welfare, and applicable land-use ordinances.

These Conditions have been drafted by the Los County Department of Beaches & Harbors to help facilitate filming on Los Angeles County Beaches.

- All equipment must be 10 feet from bike path
- Companies must fly cables over bike path.
- No driving on service road.
- Only still photography (less that 15 cast/crew and minimal equipment) will be allowed on grassy knoll at entrance of parking lot.
- No filming, blocking or parking on access ramps or storm drains.
- No filming at Lifeguard towers #46 and #47 due to Snowy Plover enclosure.
- No use of access road from Lifeguard towers #44 to #48.

- Driving below the mean high tide, which is the highest level reached on the sand by the ocean water, is prohibited.
- For safety purposes, production companies are required to hire an off-duty/retired LAPD officer for all driving scenes.
- Production company will be responsible for employing the help of DBH staff and equipment (Department fees will apply) or a tow truck with 4 x 4 capacity if their vehicles get stuck in the sand.
- Production company must cordon-off the area where the driving scene will take place to exclude the general public from the area.
- Use of flagmen are required for safety purposes to shut down the bike path when vehicles or pedestrians are crossing.
- High levels of security may be required for big productions or stunt shoots, at the production company's expense.
- On the day of the shoot, if water/weather conditions are unsafe for driving scenes, Lifeguards have the authority to cancel the shoot.
- Unusual requests for driving scenes will be evaluated on a case-by-case basis.

PARKING GUIDELINES
FOR THE USE OF COUNTY PARKING LOTS
OPERATED BY PARKING MANAGEMENT COMPANY

1. Companies must make parking arrangements for parking in L.A. County parking lots with DBH's parking contractor prior to first film date.

2. All production companies must have prior authorization for in/out parking privileges in any L.A. County parking lot. Arrangements must be made in advance with DBH's parking contractor. Film companies paying upon entry, without prior arrangements, will not be allowed in and out privileges.

3. All production vehicles must display a parking receipt on dashboard of vehicles and must only enter lots during approved/authorized dates and times. Failure to display parking receipts on dashboard of vehicle or unauthorized entry will result in a parking citation.

4. The production company may not block public or emergency access or park vehicles in any front row adjacent to local businesses at Venice Beach at any time (see parking lot maps).

5. The production company is prohibited from parking in disabled parking spaces, short-term metered parking and from blocking any pay stations at any time (no exceptions).

6. A walkthrough is to be conducted after the production company has parked all of its vehicles. This walkthrough is to be done by the location manager (or designated representative) and a parking contractor supervisor to determine the exact number of spaces being utilized and that number is called into the parking contractor's office. The location manager must make arrangements to meet again with the parking contractor supervisor at a designated time to confirm spaces prior to vacating the parking lot and again that number is called into the parking contractor's office.

7. The production company will be invoiced for any additional spaces occupied by cast/crew members' cars, equipment vehicles and cone-off spaces.

8. Production companies wanting to use parking spaces at one of the parking contractor operated parking lots on the beach or in the Marina del Rey area must contract the parking contractor directly (310.821.1081) and speak with office management. Normal business hours are Monday through Friday, 8:00 a.m. to 5:00 p.m.

9. Parking fees are not included on film permits. A film permit number must be provided to the parking contractor and the contractor will provide the production company estimated charges for the use of the parking lot(s). Payment arrangements must be made with the parking contractor directly at least one business day prior (and before 4:00 p.m.) for the use of the parking lot(s).

10. Cancellation of a parking contract must be done at least one day prior. Refunds will be given within ten to twelve weeks.

11. A parking contract does not constitute a film permit.

12. Sign removal in L.A. County parking lots is prohibited.
